

MNA Disaster Response

Charles H. Jones Family Relief Center

Bedding Kit Contents – Value \$50

Each Kit should contain only the following items:

1. 2 flat full/double-size sheets, no fitted sheets accepted.
2. 2 pillowcases
3. 2 pillows
4. 1 Stor-It or Space-Age Vacuum Pack Bag (Available at dollar stores or Amazon)

Note:

- All items must be new
- Do not wash any of the items; if washed they will be considered second-hand and unusable.
- Sheets and pillowcases may be of different colors.
- Linens can be removed from original packaging.

Packing kits

Stack all Bedding Kit items and vacuum pack in one large bedding size bag. Vacuum packages must be shipped in a box. Multiple kits can be shipped in the same large box but the overall weight cannot exceed 65 pounds.

Delivery or Shipping Options

Kits may be delivered in person or shipped by carrier to the warehouse. If delivered in person please schedule your arrival in advance.

1. Complete two contents lists and shipping labels – a set to retain for your records and a set to put on the shipping box. [Click here](#) to download a contents list and a label.
2. Paste the contents list and shipping label on the outside of each box you send. The shipping list helps our warehouse volunteers to quickly process kits.

Processing & Shipping Costs

Please send at least \$1 for each kit you send. This donation helps cover the transportation cost to ship the kits into the disaster area to our staging areas. If delivering to the warehouse in person the donation can be given to the warehouse manager or mailed directly to MNA at the following address. You will receive a receipt for your donation.

Collection and Delivery Instructions

- Items should be delivered in person or shipped to the MNA Warehouse in Rome Georgia.
- Notify us in advance of your collection campaign as needs change daily.
- Once your collection efforts are complete and before departure for the MNA Warehouse, please prepare a summary list of your collection and send to us electronically at mnawarehouse@pcanet.org so that we know what you will be bringing and that we can coordinate your arrival. This is important so that we can plan accordingly. Be prepared to let us know the exact day and time of arrival so that we can coordinate delivery.
- Mid-size U-Haul or Rider type trucks, pickup trucks, flat bed and enclosed trailers work best for deliveries. Tractor-trailers are also okay; a loading dock, fork truck and pallet jacks are on site.
- Volunteers should accompany the delivery of the relief kits and be prepared to help unload once arriving at the MNA Warehouse
- If you anticipate needed overnight accommodations while you are making a delivery at the MNA Warehouse please notify us in advance; we may be able to arrange lodging. Please know that housing may be limited and a morning delivery may work best so you can get back out the same day if at all possible, especially in times of new disaster responses.
